## Hiring Manager

Dear Hiring Manager,

I am writing to express my interest in pursuing a Junior Developer position. With a recent diploma in IT Programming from Nova Scotia Community College and hands-on experience in development environments, I am excited about the opportunity to contribute to a dynamic team.

Throughout my academic journey, I have acquired a solid foundation in various programming languages, including C/C++, SQL, Python, C#, Java, HTML & CSS, and JavaScript. Additionally, my proficiency in Git & GitHub and experience with Android Development in Kotlin & Java have prepared me to tackle diverse challenges in the field of software development.

During my internship at SEATAC with COVE, I collaborated closely with the marketing team to enhance the company website using WordPress, streamlining navigation for visitors. I also played a pivotal role in implementing a new customer management relationship system and contributed to the development of a comprehensive sea ice database. These experiences have honed my problem-solving abilities, communication skills, and project management capabilities, which I am eager to leverage in a professional setting.

Moreover, my tenure as a Receptionist & Food Server at The Berkeley has equipped me with valuable teamwork and customer service skills. I have demonstrated the ability to work efficiently in fast-paced environments while maintaining a high standard of service. My experience in providing exceptional front-desk support underscores my commitment to ensuring smooth operations and delivering excellent customer satisfaction.

I am particularly drawn to the dynamic and innovative nature of the software development field. I am eager to contribute my passion for coding and collaborative mindset to any team, while also embracing new challenges and learning from seasoned professionals in the field.

Enclosed is my resume, which provides further detail about my skills and experiences. I would welcome the opportunity to discuss how my background, skills, and enthusiasm can contribute to your team's success. Thank you for considering my application. I am available at your earliest convenience for an interview. Warm regards,

Kenzie Merlin
